Honor vs life

So do not weaken and call for peace while you are superior; and Allah is with you and will never deprive you of [the reward of] your deeds.

فَلَا تَهِنُوا وَتَدْعُوا إِلَى السَّلَامِ وَأَنْتُمْ الْأَعْلَوْنَ وَاللَّهُ مَعَكُمْ وَلَنْ يَتَرَكَكُمْ أَعْمَالَكُمْ -

When the coward advises you on a day of adversity, out of fear for your safety from the heedless crowd, disregard his counsel, don't entertain him, and present yourself when the encounter demands it first

وَإِذَا الْجَبَانُ نَهَاكَ يَوْمَ كَرِيهَةٍ .. خَوْفًا عَلَيْكَ مِنْ إِزْدِحَامِ الْجَحْفَلِ -

فَاعْصِ مَقَالَتَهُ وَلَا تَحْفَلِ بِهِ .. وَإِقْدِمِ إِذَا حَقَّ اللِّقَاءُ فِي الْأَوَّلِ -

And do not throw yourselves into destruction

وَلَا تُتْلَفُوا بِأَيْدِيكُمْ إِلَى التَّهْلُكَةِ -

After Israel attacks on Egypt claiming that it wasn't intentional; Two opinions have been brought to light. Each one of them makes sense, has support, evidence from Al Quran.

But Which one is almost correct? What are the negative points for each?

The first opinion says, "If you respond to a blow with another blow, you will not live twice; therefore, live with honor," You have only one life.

Don't think about the consequences, instead save your honor by having a reaction or even a greater reaction.

So this recommends to Egypt to respond for Israel attacks by a more brutal attack. However, you know for sure that it's not smart to put yourself in a 1 vs 1 situation – in our case it's like 1 vs 10- but prudence wastes honor so Don't think twice and attack them No matter how dire the consequences are, and thus you save face. On the other hand, citing what happens in Palestine, Zionist do the respond on the citizens and neglect the real enemy

-resistance forces- so it's expected that Israel will do the same with Egypt; after Egypt's attack on them they will bomb Egypt's cities, all citizens will have to stand and wait for their fate. Will I survive for the next day? Will my fellows do?

Allegation that there is honor in such death is a joke nevertheless, the dead will be martyrs. But let us think for a minute. If the martyrdom considered a victory. Why do we resist the occupation? Occupation causes at least 1000 martyrs daily. Palestinians should give up to the occupation and wait for their death to achieve martyrdom

The Second opinion says, "Don't walk into the trap set by your enemy." Israel has a purpose for these attacks, is to make Egypt take reaction so they can claim that Egypt forms danger to their lands -however it's not their land- for no reason, So Israel in the view of other nations, UNSC is the oppressed not the oppressor, and so they will have an argument to attack Egypt and cross Sina allegation that they defend their land Bearing in mind that Egypt now is not able to face Israel, The Usa and other countries in a war, also it may cost innocent Egyptian souls during the war or by bombing. So, it's totally wrong give them the upper hand.

Unfourtly you will have to choose between your honor and your life. You would choose?
